

„Is there a way, to actively shape change?“

DB Schenker combines all the transport and logistical activities of Deutsche Bahn, employing over 88,000 staff spread across about 2,000 locations in around 130 countries. With a turnover of some 18 billion Euros, we are a leading company both in Europe and worldwide.

International Internship – Indonesia

Gain an insight into our company and gather international work experience in an Asian culture. You take over responsibility for an individual project, related to your academic background. You are responsible for the preparation of the Monthly Finance Report of DB Schenker Indonesia. Close cooperation with the management and networking possibilities make you acquainted to leading business personalities.

For the period of 4-6 months, starting March 2010,
we offer an Internship in **Finance department**

Your Profile:

- Specialized skills in Finance & Accounting, therefore excellent knowledge of MS Office software programs especially MS Excel and MS Powerpoint is essential
- You already completed more than half of degree requirements in Business Studies, preferably with focus on logistics or international transportation
- Previous working experience in International Trade, Transport and/or Logistics are beneficial
- Good communication and analytical skills
- Able to work independently and flexible in a structured way, open approach to other cultures
- Excellent knowledge of English is a must, a second language would be of advantage (especially Bahasa Indonesia)

If you are interested please do not hesitate to send us your application (comprising a cover letter, CV, current academic record and references) **via email.**
